

When Seconds Count...

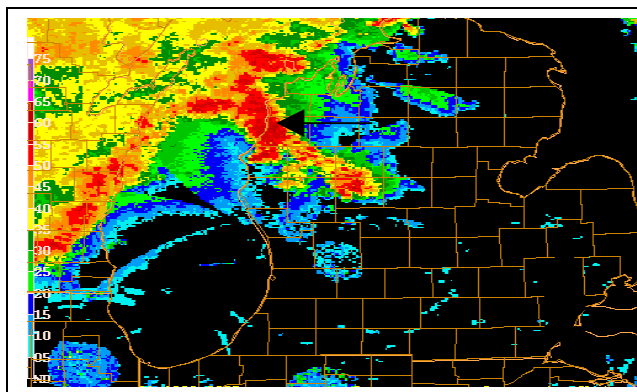

...You could make the difference!

2013 SKYWARN Spotter Class

Provided by the following:

National Weather Service - Grand Rapids Office, Muskegon County Emergency Communication Service, Muskegon County Emergency Services, and Muskegon Community College with the MCC Geography Department, MCC Geo Club, and MCC Criminal Justice Department

Date: Saturday March 16, 2013
Time: 2pm - 4pm
Location: Rm 1100 Stevenson Center
Muskegon Community College
221 S. Quarterline Road
Who: Anyone wishing to attend

The National Weather Service and Muskegon County need your help.

Every Year, numerous people are affected by severe weather. Your accurate reports of weather information to the National Weather Service and local public safety officials may save lives and property.

(Basic Skywarn)

Presentation of Skywarn spotter knowledge requirements; including severe weather climatology, the thunderstorm life cycle, the squall line, wallclouds, roll clouds, shelf clouds, and updraft/downdraft physics with a primary focus on visual identification of severe weather signatures in clouds. A brief presentation of how Amateur radio plays a part in SKYWARN. **NEW THIS YEAR!!!! A HARD PLASTIC 2013 SKYWARN PHOTO I.D. CARD WILL BE AVAILABLE FOR A \$3.00 DONATION.**
