

When Seconds Count...
...You could make the difference!

2016 SKYWARN Spotter Class

Provided by the following:

National Weather Service - Grand Rapids Office, Muskegon County Emergency Communication Services, Muskegon County Sheriff's Department Emergency Services Division, and Muskegon Community College with the MCC Geography Department, MCC Geo Club, and MCC Criminal Justice Department

Date: Saturday March 19, 2016

Time: 2:00pm to 4:00pm

Location: Room 1100 Stevenson Center
Muskegon Community College
221 S Quarterline Road
Muskegon, MI 49442

Who: Free to the public and anyone wishing to attend

The National Weather Service and Muskegon County need your help.

Every Year, numerous people are affected by severe weather. Your accurate reports of weather information to the National Weather Service and local public safety officials may save lives and property.

(Basic Skywarn)

Presentation of Skywarn spotter knowledge requirements; including severe weather climatology, the thunderstorm life cycle, squall lines, wall clouds, roll clouds, shelf clouds, and updraft/downdraft physics with a primary focus on visual identification of severe weather signatures in clouds.
